QUALITY adapted to all demands
ADVANCED tecnology and **CONTROLLED** process
ECONOMIC product

Big Spools

megafix MAXIMUM KNOT FIXATION

tecfil MAXIMUM CONFIDENCE

The right twine and the right spool for the right baler

The perfect technical pack for:

Krone 1290 HDP (New Generation)	33Lb
New Holland 1290 HD (Loop Master)	31Lb
Massey Ferguson	32Lb

ALL YOU NEED IN ONE DECISION

> Easy solutions for leading baler brands

tecfil
PERFORMANCE & SERVICE

SINCE 1991

More than 30 years creating solutions

- *Company of world dimension*
- *Export to more that 50 countries on 5 continents*
- *Specialized in the production of baler twine*
- *High quality, pioneering and service*
- *Constant research and development*
- *Cutting edge technology*
- *Specialized human resources*
- *Rigorous quality control*
- *Customer satisfaction*
